Abu Dhabi International Orthopedic Conference

On behalf of the scientific committee, we have the pleasure to invite you to attend **Abu Dhabi International Orthopedic Conference** that is scheduled to be held at Park Rotana Hotel, Abu Dhabi on **20 & 21 April, 2012**. This intensive two-day conference is dedicated to presenting nationally and internationally renowned Leading Orthopedic Surgeons imparting the art, techniques, and science of orthopedic surgery.

These Master Orthopedic Surgeons will present image-rich lectures and lead interactive sessions dealing exclusively with the Orthopedic Surgical management of the most complex and difficult orthopedic cases and injuries and their complications that lead to successful outcomes and provide the best possible care to all orthopedic patients.

The topics were carefully chosen and the conference content has been developed at an advanced level to concentrate on the most complex and difficult cases and to focus on detailed "real-world" descriptions of orthopedic surgical techniques, to permit their implementation in clinical practice.

The scientific committee is committed to give their level best in order to promote this conference for the diffusion of up-to-date scientific information to offer participants the opportunity to develop fruitful collaborations.

We hope that you will enjoy the conference and your networking with your colleagues from the region will stimulate a valuable knowledge sharing and will be personally rewarding.

We therefore look forward to your participation and to welcome you on 20 & 21 April, 2012 to make the conference a success.

Dr. Ali Alsuwaidi
